What you will need.

12" x 14" piece of 1/2" plywood for base	60" of 2x3 lumber body
22" of 2x3 lumber shoulders	Glue gun and glue sticks
Screws 3"	White duck tape
Heavy aluminum wire	wig form
1/2" Dowel	king-size Quilt batting
3-5 yards of Muslin depending on width	Khaki spray paint
Table Saw	Hammer

Concerning the Quilt Batting: I recommend pricing all sizes. My first one I went with what the sales person gave me (45") it was 1.99 a yard. went back for more and there on the shelf was 38" with for .99 and it was on sale for .69. since I was going to cut it up any way that was a big savings.
