### Toilet from Hell

Materials:

- (1) Toilet
- (1 ) 16 oz can of big stuff expanding foam spray
- (1) 8 oz can of RUST-OLEUM paint ( Gloss Sunrise Red )
- (1) Small paint brush

First clean any dirt off toilet and make sure it is dry

Obtained from  
Omarshauntedtrail.com

Now take the can of foam spray and put it all over the toilet try not to put big clumps on the sides.

The bowl and top lid is ok if you want but the pattern is up to you when you are done let the foam set for 2 hours or until the foam feels hard don't use all the foam you will need it later

Take the small paint brush and paint and start painting the foam try not to get paint on the rest of the toilet when you are done let the paint set for 12 hours
